Notes

- All prices are end-user retail list prices in US dollars
- Shipping costs are additional for parts requiring physical shipment (typical single-unit cost via FedEx to Europe or North America is \$95, cheaper rates apply in greater quantities)
- Camera drivers are provided free of charge for all officially supported hardware
- When purchasing parts 020 and 022, you will need to return your original security key to Digital Optics within 30 days of purchase. If the original key is not returned then you will be billed for part 003 instead.
- An educational discount of 10% applies for products purchased for non-commercial use at an accredited school or university
- Please contact us for custom pricing if you are making a large site license purchase
- Please contact us for reseller or OEM pricing
- Purchase orders are accepted from institutions and approved companies
- Credit cards are accepted (via PayPal business invoice)
